The amounts necessary to fund the excess division expenses shall be collected from additional fees and other moneys collected by the division. The division shall notify in writing the legislative services agency and the department of management when hiring additional personnel. The written notification shall include documentation that any additional expenditure related to such hiring will be totally reimbursed to the general fund, and shall also include the division's justification for hiring such personnel. The division must obtain the approval of the department of management only if the number of additional personnel to be hired exceeds the number of full-time equivalent positions authorized by the general assembly.

(1) The division may exceed the line item budgets for examinations and professional services, including but not limited to legal and actuarial services, provided that the division funds the increased expenditures through assessments or increased nonexamination revenues payable to the division under [subsection 1](#) or otherwise. The amounts necessary to fund the excess expenses may be collected from those regulated entities or classes of entities which either cause or benefit from the expenditure or encumbrance.

(2) Before the division expends or encumbers an amount in excess of the funds budgeted for line items other than examinations and professional services, the director of the department of management shall approve the expenditure or encumbrance. Before approval is given, the director of the department of management shall determine that the expenses can be paid from nonexamination revenues payable to the division under [subsection 1](#) or otherwise.
