804.14 Manner of making arrest — warrant.
1. A person making an arrest must inform the person to be arrested of the intention to
arrest the person, the reason for arrest, and that the person making the arrest is a peace
officer, if such be the case, and require the person being arrested to submit to the person's
custody, except when the person to be arrested is actually engaged in the commission of or
attempt to commit an offense, or escapes, so that there is no time or opportunity to do so.

2. If acting under the authority of a warrant, a law enforcement officer need not have the
warrant in the officer's possession at the time of the arrest, but, upon request, the officer
shall show the warrant to the person being arrested as soon as possible. If the officer does
not have the warrant in the officer's possession at the time of arrest, the officer shall inform
the person being arrested of the fact that a warrant has been issued.
