

**123.34 Expiration of licenses and permits — seasonal, five-day, and fourteen-day licenses and permits — fees.**

1. Liquor control licenses, wine permits, and beer permits, unless sooner suspended or revoked, expire one year from date of issuance. The administrator shall notify a license or permit holder electronically, or in a manner prescribed by the administrator, sixty days prior to the expiration of each license or permit. However, the administrator may issue six-month or eight-month seasonal licenses, class “B” wine permits, or class “B” beer permits for a proportionate part of the license or permit fee or may issue fourteen-day liquor control licenses, native wine permits, or beer permits as provided in [subsection 2](#). No refund shall be made for seasonal licenses or permits or for fourteen-day liquor control licenses, native wine permits, or beer permits. No seasonal license or permit shall be renewed. However, after a period of two months the applicant may apply for a new seasonal license or permit for the same location.

2. The administrator may issue fourteen-day class “A”, class “B”, class “C”, special class “C”, and class “D” liquor control licenses and fourteen-day class “B” beer and class “C” native wine permits. A fourteen-day license or permit, if granted, is valid for fourteen consecutive days, but the holder shall not sell on the two Sundays in the fourteen-day period unless the holder qualifies for and obtains the privilege to sell on Sundays contained in [section 123.36](#), [subsection 6](#), and [section 123.134](#), [subsection 4](#).

3. The fee for a fourteen-day liquor control license or beer permit is one quarter of the annual fee for that class of liquor control license or beer permit. The fee for the privilege to sell on the two Sundays in the fourteen-day period is twenty percent of the price of the fourteen-day liquor control license or beer permit. The fee for a fourteen-day class “C” native wine permit is the permit fee provided in [section 123.179](#), [subsection 4](#).

4. The administrator may issue five-day class “A”, class “B”, class “C”, special class “C”, and class “D” liquor control licenses and five-day class “B” beer and class “C” native wine permits. A five-day license or permit is valid for five consecutive days, but the holder shall not sell alcoholic beverages on Sunday in the five-day period unless the holder qualifies for and obtains the privilege to sell on Sunday pursuant to [sections 123.36](#) and [123.134](#).

5. The fee for the five-day liquor control license or beer permit is one-eighth of the annual fee for that class of license or permit. The fee for the privilege to sell on a Sunday in the five-day period is ten percent of the price of the five-day liquor control license or beer permit. The fee for a five-day class “C” native wine permit is the permit fee provided in [section 123.179](#), [subsection 4](#).
