124B.7 Reporting form.

1. The board shall adopt rules prescribing a common form for the filing of reports required under this chapter. The rules shall provide that the information which must be submitted shall include but is not limited to all of the following:

a. The name of the precursor substance.

b. The quantity of the precursor substance sold, transferred, or furnished.

c. The date the precursor substance was sold, transferred, or furnished.

d. The name and address of the recipient.

e. The name and address of the vendor.

2. Reports authorized under subsection 1 may be computer-generated and submitted monthly in accordance with rules adopted by the board.
