

261A.15 Pledge of revenues.

1. The authority shall fix, revise, charge, and collect fees and may contract with a person to do so. Each agreement entered into by the authority with an institution shall provide that the fees and other amounts payable by the institution of higher education with respect to a program of the authority are sufficient at all times to meet all of the following:

a. To pay its share of the administrative costs and expenses of the program.

b. To pay the principal of, the premium, if any, and the interest on outstanding obligations of the authority, issued in respect of the program to the extent that other revenues of the authority pledged for the payment of the obligations are insufficient to pay the obligations as they become due and payable.

c. To create and maintain reserves which may but need not be required or provided for in the bond resolution relating to the obligations of the authority.

d. To establish and maintain whatever education loan servicing, control, or audit procedures are deemed by the authority to be necessary to the prudent operation of the authority.

2. The authority shall pledge the revenues from each program as security for the issue of obligations relating to the program. A pledge is valid and binding from the time when the pledge is made, the revenues pledged by the authority are immediately subject to the lien of the pledge without physical delivery of the pledge or further act, and the lien of the pledge is valid and binding against all parties having claims of any kind in tort, contract, or otherwise against the authority or a participating institution, irrespective of whether the parties have notice of the lien. The bond resolution and a financing statement, continuation statement, or other instrument by which the authority's interest in revenues is assigned need not be filed or recorded in public records in order to perfect the lien against third parties except that a copy of it shall be filed in the records of the authority and with the treasurer of state.
