1. The board is authorized to borrow money and to issue and sell negotiable bonds or notes to pay all or any part of the cost of carrying out any project at the institution and to refund and refinance bonds or notes issued for any project or for refunding purposes at the same rate or at a lower rate. The bonds or notes issued under [this chapter](#) may be sold at public sale as provided in [chapter 75](#), but if the board finds it advisable and in the public interest to do so, such bonds or notes may be sold by the board at private sale without published notice of any kind and without regard to the requirements of [chapter 75](#). Bonds or notes issued to refund other bonds or notes issued under the provisions of [this chapter](#) may either be sold in the manner specified in [this chapter](#) and the proceeds thereof applied to the payment of the obligations being refunded, or the refunding bonds or notes may be exchanged for and in payment and discharge of the obligations being refunded. The refunding bonds or notes may be sold or exchanged in installments at different times or an entire issue or series may be sold or exchanged at one time. Any issue or series of refunding bonds or notes may be exchanged in part or sold in parts in installments at different times or at one time. The refunding bonds or notes may be sold or exchanged at any time on, before, or after the maturity of any of the outstanding notes, bonds, or other obligations to be refinanced thereby and may be issued for the purpose of refunding a like or greater principal amount of bonds or notes, except that the principal amount of the refunding bonds or notes may exceed the principal amount of the bonds or notes to be refunded to the extent necessary to pay any premium due on the call of the bonds or notes to be refunded or to fund interest in arrears or about to become due.

2. All bonds or notes issued under the provisions of [this chapter](#) shall be payable solely and only from and shall be secured by an irrevocable pledge of a sufficient portion of the hospital income of the institution. All bonds or notes issued under the provisions of [this chapter](#) shall have all the qualities of negotiable instruments under the laws of this state.
