

303.68 Conflict with other regulations.

If the regulations made under this [subchapter](#) impose higher standards than are required in any other statute or local ordinance or regulation, the regulations made under [this subchapter](#) govern. If any other statute or local ordinance or regulation imposes higher standards than are required by the regulations made under authority of [this subchapter](#), that statute or ordinance or regulation governs. If a regulation proposed or made under [this subchapter](#) relates to a structure, building, dam, obstruction, deposit, or excavation in or on the floodplains of a river or stream, prior approval of the department of natural resources is required to establish, amend, supplement, change, or modify the regulation or to grant a variation or exception from it.
