

311.8 County engineer's report.

Upon the filing of the petition with the county engineer proposing the establishment of a secondary road assessment district, the county engineer shall prepare a report on the proposed district, which report shall include:

1. An estimate of the cost of the improvement proposed on the road included in the proposed district.
2. A plat of said proposed district which plat shall show the road or roads proposed to be improved, the various tracts and parcels of real estate included in said proposed district, and the ownership of such lands.
3. An approximately equitable apportionment of not less than fifty percent of the estimated cost of the improvement among the tracts and parcels of real estate included in the proposed district.
4. A statement whether all of the secondary roads to be improved in the proposed secondary road assessment district project have been built to permanent grade and properly drained.
5. Any information the county engineer may deem pertinent.
