

327D.192 Spot checks for hazardous cargo.

An employee under the supervision of the department's administrator for rail and water designated by the director of the department may conduct spot inspections of vehicles subject to registration which are owned or operated by a railroad corporation to determine whether a vehicle is used to transport products or property which may be a safety hazard for the operator of the vehicle subject to registration or any other employee of the railroad corporation who is transported in the vehicle.
