(2) The amount of the remittances approved in each additional year does not exceed fifteen million dollars or seventy percent of the total yearly amount of increased sales tax increment revenue in the governmental entity's applicable area and deposited in the governmental entity's account, whichever is less.

(3) The total amount of remittances in any such additional fiscal year for all governmental entities approved to use sales tax revenues under [this chapter](#) does not exceed, in the aggregate, thirty million dollars.

(4) The total amount of remittances to the governmental entity approved by the board for all additional years does not exceed the difference between the total amount of remittances actually received by the governmental entity during the twenty-year period and the total amount of remittances for which the governmental entity was approved to receive by the board at the time of the project's approval under [section 418.9, subsection 4](#), and reduced under [section 418.9, subsection 8](#), or [section 418.12, subsection 6](#), paragraph "b", if applicable.

2. If the governmental entity ceases to need the sales tax revenues prior to the expiration of the limitation under [subsection 1](#), the governmental entity shall notify the director of revenue.

3. Upon the receipt of a notification pursuant to [subsection 2](#), or the expiration of the limitation under [subsection 1](#), the department of revenue shall cease to deposit revenues into the governmental entity's account in the sales tax increment fund.
