

455D.15A Permitting of waste conversion technologies operations — fees.

A facility using waste conversion technologies, as defined in [section 455B.301](#), shall annually obtain a permit from the department. The department shall establish by rule an annual fee for such permits, which shall be sufficient to cover the costs of administering the permit program. The moneys collected by the department shall be deposited in the waste volume reduction and recycling fund established in [section 455D.15](#) and shall be used for the purposes of administering the permit program.
