

456B.7 Stream control on private lands.

1. Upon receiving consent in writing from the landowner, the department may enter upon private lands containing waters and streams draining into state-owned lakes and streams, for any or all of the following purposes:

- a. Deepening.
- b. Filling.
- c. Widening.
- d. Contracting.
- e. Improving and protecting banks.
- f. Constructing spillways and discharge structures.
- g. Controlling erosion on tributary land.
- h. Providing structures or other works conducive to the regulation of stream flow.

2. Any action taken by the commission under [this section](#) is subject to the approval of the environmental protection commission.
