

626.14 Delivery of possession and money recovery.

If it is for the delivery of the possession of real or personal property, it shall require the sheriff to deliver the possession of the same, particularly describing it, to the party entitled thereto, and may, at the same time, require the party to satisfy any costs, damages, or rents and profits, with interest, recovered by the same judgment, out of the property of the party against whom it was rendered subject to execution.

The value of the property for which judgment was recovered shall be specified therein, if a delivery thereof cannot be had, and it shall in that respect be regarded as an execution against property.
