

**85.21 Payments concerning liability disputes.**

1. The workers' compensation commissioner may order any number or combination of alleged workers' compensation insurance carriers and alleged employers, which are parties to a contested case or to a dispute which could culminate in a contested case, to pay all or part of the benefits due to an employee or an employee's dependent or legal representative if any of the carriers or employers agree, or the commissioner determines after an evidentiary hearing, that one or more of the carriers or employers is liable to the employee or to the employee's dependent or legal representative for benefits under [this chapter](#) or under [chapter 85A](#) or [85B](#), but the carriers or employers cannot agree, or the commissioner has not determined which carriers or employers are liable.

2. Unless waived by the carriers or employers ordered to pay benefits, the workers' compensation commissioner shall order an employer, which is not ordered to pay benefits and which does not have in force a policy of workers' compensation insurance issued by any carrier which is a party to the case or dispute and covering the claim made by the employee or the employee's dependent or legal representative, to post a bond or to deposit cash with the commissioner equal to the benefits paid or to be paid by the carriers or employers ordered to pay benefits. If any employer is ordered by the commissioner to post bond or to deposit cash, the employers or carriers ordered to pay benefits are not obligated to pay benefits until the bond is posted or the cash is deposited. The commissioner may order the bond or cash deposit to be increased.

3. When liability is finally determined by the workers' compensation commissioner, the commissioner shall order the carriers or employers liable to the employee or to the employee's dependent or legal representative to reimburse the carriers or employers which are not liable but were required to pay benefits. Benefits paid or reimbursed pursuant to an order authorized by [this section](#) do not require the filing of a memorandum of agreement. However, a contested case for benefits under [this chapter](#) or under [chapter 85A](#) or [85B](#) shall not be maintained against a party to a case or dispute resulting in an order authorized by [this section](#) unless the contested case is commenced within three years from the date of the last benefit payment under the order. The commissioner may determine liability for the payment of workers' compensation benefits under [this section](#).
