That lottery games are an entrepreneurial enterprise and that the state should create a public instrumentality of the state in the form of a nonprofit authority known as the Iowa lottery authority with comprehensive and extensive powers to operate a state lottery in an entrepreneurial and businesslike manner and which is accountable to the governor, the general assembly, and the people of the state through a system of audits, reports, legislative oversight, and thorough financial disclosure as required by [this chapter](#).

3. That lottery games shall be operated and managed in a manner that provides continuing entertainment to the public, maximizes revenues, and ensures that the lottery is operated with integrity and dignity and free from political influence.

2. The board shall determine the compensation to be paid to licensed retailers. Compensation may include provision for variable payments based on sales volume or incentive considerations.

3. The authority shall issue a license certificate to each person with whom it contracts as a retailer for purposes of display as provided in [this section](#). Every lottery retailer shall post its license certificate, or a facsimile thereof, and keep it conspicuously displayed in a location on the premises accessible to the public.
