9D.2 Registration required.

1. a. A travel agency doing business in this state shall register with the secretary of state as a travel agency if it or its travel agent conducts the solicitation of an Iowa resident.
 - b. A travel agency required to register under paragraph “a” shall not permit a travel agent employed by the travel agency to do business in this state unless the agency is registered with the secretary of state.
2. A travel agent shall not knowingly do business in this state unless and until the travel agency employing the travel agent is registered with the secretary of state as a travel agency if the travel agency or any of the agency’s travel agents conduct the solicitation of an Iowa resident.
3. [This section](#) does not require registration for, or prohibit, solicitation by mail or telecommunications of a person with whom the travel agency has a previous travel services provider-customer relationship, having previously arranged travel-related services for that customer on at least one prior occasion.

4. An applicant shall complete an application for registration form provided by the secretary. The application form must be accompanied by the required bond or evidence of financial responsibility and the registration fee. The application form shall include all of the following information:

a. The name and signature of an officer or partner of a business entity or the names and signatures of the principal owner and operator if the agency is a sole proprietorship.

b. The name, address, and telephone number of the applicant and the name of all travel agents employed by the applicant travel agency.

c. The name, address, and telephone number of any person who owns or controls, directly or indirectly, ten percent or more of the applicant.

d. If the applicant is a foreign corporation or business, the name and address of the corporation's agent in this state for service of process.

e. Any additional information required by rule adopted by the secretary pursuant to [chapter 17A](#).

5. The application form shall be accompanied by a written irrevocable consent to service of process. The consent must provide that actions in connection with doing business in this state may be commenced against the registrant in the proper jurisdiction in this state in which the cause of action may arise, or in which the plaintiff may reside, by service of process on the secretary as the registrant's agent and stipulating and agreeing that such service of process shall be taken and held in all courts to be as valid and binding as if service of process had been made upon the person according to the laws of this or any other state. The consent to service of process shall be in such form and supported by such additional information as the secretary may by rule require.

6. An annual registration fee as established by the secretary by rule is required at the time the application for registration form is filed with the secretary, and on or before the anniversary date of the effective date of registration for each subsequent year. The registration fee shall be established at a rate deemed reasonably necessary by the secretary to support the administration of [this chapter](#), but not to exceed fifteen dollars per year per agency. If an applicant or a registrant fails to pay the annual registration fee, the application for registration or registration lapses and becomes ineffective.

7. A registrant shall submit to the secretary corrections to the information supplied in the registration form within a reasonable time after a change in circumstances, which circumstances would be required to be reported in an application for registration form, except travel agents' names as required in [subsection 4](#), paragraph "b". The names of travel agents shall be updated at the time of annual registration.

8. The secretary may revoke or suspend a registration for cause subject to the contested case provisions of [chapter 17A](#).

9D.3 Evidence of financial security.

1. An application for registration of a travel agency must be accompanied by a surety or cash performance bond in conformity with rules adopted by the secretary in the principal amount of ten thousand dollars, with an aggregate limit of ten thousand dollars. The bond shall be executed by a surety company authorized to do business in this state, and the bond shall be continuous in nature until canceled by the surety with not less than sixty days' written notice to both the travel agency and to the secretary. The notice shall indicate the surety's intent to cancel the bond on a date at least sixty days after the date of the notice.

2. a. The bond shall be payable to the state for the use and benefit of either:

(1) A person who is injured by the fraud, misrepresentation, or financial failure of the travel agency or a travel agent employed by the travel agency.

(2) The state on behalf of a person or persons under subparagraph (1).

b. The bond shall be conditioned such that the registrant will pay any judgment recovered

by a person in a court of this state in a suit for actual damages, including reasonable attorney's fees, or for rescission, resulting from a cause of action involving the sale or offer of sale of travel services. The bond shall be open to successive claims, but the aggregate amount of the claims paid shall not exceed the principal amount of the bond.

3. If an applicant or registrant has contracted with the airlines reporting corporation or the passenger network services corporation, or similar organizations approved by the secretary of state with equivalent bonding requirements for participation, in lieu of the bond required by [subsection 1](#), the applicant or registrant may file with the secretary a certified copy of the official approval and appointment of the applicant or registrant from the airlines reporting corporation or the passenger network services corporation.

4. In lieu of any bond or guarantee required to be provided by [this section](#), an applicant or registrant may do any of the following:

a. File with the secretary proof of professional liability and errors and omissions insurance in an amount of at least one million dollars annually.

b. Deposit with the secretary cash, securities, or a statement from a federally insured financial institution guaranteeing the performance of the applicant or registrant up to a maximum of ten thousand dollars to be held or applied to the purposes to which the proceeds of the bond would otherwise be applied.

2. If a person required to be registered or listed upon a registration statement by [this chapter](#) receives money, as a fee, commission, compensation, or profit in connection with doing business in this state in violation of [section 9D.2](#), the person, in addition to the criminal penalty in [subsection 1](#), shall be liable for a civil penalty of not less than three times the sum so received, as may be determined by the court, which penalty may be recovered in a court of competent jurisdiction by an aggrieved person, or by the attorney general for the benefit of an aggrieved person or class of persons.
