155A.6B Pharmacy support person registration.

1. The board shall establish a registration program for pharmacy support persons who work in a licensed pharmacy and who are not licensed pharmacists or registered pharmacy technicians for the purposes of identification, tracking, and disciplinary action for the violation of federal drug laws or regulations, state drug or pharmacy laws, or board rules. The registration shall not include any determination of the competency of the registered individual and, notwithstanding section 272C.2, subsection 1, shall not require continuing education for renewal.

2. A person registered with the board as a pharmacy support person may assist pharmacists by performing routine clerical and support functions. Such a person shall not perform any professional duties or any technical or dispensing duties. The ultimate responsibility for the actions of a pharmacy support person working under a licensed pharmacist's supervision shall remain with the licensed pharmacist.

3. Applicants for registration must apply to the board for registration on a form prescribed by the board.

4. The board shall adopt rules in accordance with chapter 17A on matters pertaining to pharmacy support persons, and pharmacy support person exemptions, registration, application, renewals, fees, termination of registration, training, and any other relevant matters.

5. The board may deny, suspend, or revoke the registration of a pharmacy support person or otherwise discipline the pharmacy support person for any violation of the laws of this state, another state, or the United States relating to prescription drugs, controlled substances, or nonprescription drugs, or for any violation of this chapter or chapter 124, 124B, 126, 147, 205, or 272C, or any rule of the board.
