201A.2 Definitions.

As used in this chapter, unless the context otherwise requires:

- 1. "Agricultural liming material" means a product having calcium and magnesium compounds capable of neutralizing soil acidity.
- 2. "Brand" means the term, designation, trade name, product name, or other specific designation under which individual agricultural liming material is offered for sale.
- "Bulk" means material which is in a nonpackaged form.
 "Effective calcium carbonate equivalent" means the acid-neutralizing capacity of an agricultural liming material.
