

**261H.2 Policy adoption.**

The state board of regents and the board of directors of each community college shall adopt a policy that includes all of the following statements:

1. That the primary function of an institution of higher education is the discovery, improvement, transmission, and dissemination of knowledge by means of research, teaching, discussion, and debate. This statement shall provide that, to fulfill this function, the institution must strive to ensure the fullest degree of intellectual freedom and free expression allowed under the first amendment to the Constitution of the United States.

2. *a.* That it is not the proper role of an institution of higher education to shield individuals from speech protected by the first amendment to the Constitution of the United States, which may include ideas and opinions the individual finds unwelcome, disagreeable, or even offensive.

*b.* That it is the proper role of an institution of higher education to encourage diversity of thoughts, ideas, and opinions and to encourage, within the bounds of the first amendment to the Constitution of the United States, the peaceful, respectful, and safe exercise of first amendment rights.

3. That students and faculty have the freedom to discuss any problem that presents itself, assemble, and engage in spontaneous expressive activity on campus, within the bounds of established principles of the first amendment to the Constitution of the United States, and subject to reasonable time, place, and manner restrictions that are consistent with established first amendment principles.

4. That the outdoor areas of campus of an institution of higher education are public forums, open on the same terms to any invited speaker subject to reasonable time, place, and manner restrictions that are consistent with established principles of the first amendment to the Constitution of the United States.
