The county may pay for the services in cooperation with other counties by pooling appropriations from the county services fund with appropriations from the county services fund of other counties through the county’s regional administrator, or through another arrangement specified in the regional governance agreement entered into by the county under [section 331.392](#).

4. a. An amount of unobligated and unencumbered funds, as specified in the regional governance agreement entered into by the county under [section 331.392](#), shall be reserved in the county services fund to address cash flow obligations in the next fiscal year, subject to the limitations of [this subsection](#).
