b. The use of manufactured housing in this state, on the purchase price if the manufactured housing is sold in the form of tangible personal property or on the installed purchase price if the manufactured housing is sold in the form of realty.

c. An excise tax at the rate of five percent is imposed on the use of vehicles subject only to the issuance of a certificate of title and the use of manufactured housing, and on the use of leased vehicles, if the lease transaction does not require titling or registration of the vehicle, on the amount subject to tax as calculated pursuant to [section 423.26, subsection 2](#).

d. Purchases of tangible personal property or specified digital products made from the government of the United States or any of its agencies by ultimate consumers shall be subject to the tax imposed by [this section](#). e. The use in this state of services enumerated in [section 423.2](#). This tax is applicable where the service is first used in this state.

f. (1) The use in this state of specified digital products. The tax applies whether the purchaser obtains permanent use or less than permanent use of the specified digital product, whether the use is conditioned or not conditioned upon continued payment from the purchaser, and whether the use is on a subscription basis or is not on a subscription basis.

(2) The use of a digital code that may be used to obtain or access a specified digital product shall be taxed in the same manner as the specified digital product. For purposes of this subparagraph, “*digital code*” means the same as defined in [section 423.2, subsection 10](#).
