

97C.3 Federal-state agreement.

The state agency, with the approval of the governor and the attorney general, is hereby authorized to enter on behalf of the state into an agreement with the federal security administrator, consistent with the terms and provisions of [this chapter](#), for the purpose of extending the benefits of the federal old-age and survivors' insurance system to employees of the state or any political subdivision thereof with respect to services specified in such agreement which constitute "*employment*" as defined in [section 97C.2](#) of [this chapter](#). Such agreement may contain such provisions relating to coverage, benefits, contributions, effective date, modification and termination of the agreement, administration, and other appropriate provisions as the state agency and federal security administrator shall agree upon, but, except as may be otherwise required by or under the Social Security Act, Tit. II, as to the services to be covered, such agreement shall provide in effect that:

1. Benefits will be provided for employees whose services are covered by the agreement, and their dependents and survivors, on the same basis as though such services constituted employment within the meaning of Tit. II of said Social Security Act.

2. The state will pay to the secretary of the treasury, at such time or times as may be prescribed under the Social Security Act, Tit. II, contributions with respect to wages as defined in [section 97C.2](#), equal to the sum of taxes which would be imposed by sections 1400 and 1410 of the federal Insurance Contributions Act, if the services covered by the agreement constituted employment within the meaning of that Act.

3. Such agreement shall be effective with respect to services in employment covered by the agreement performed after a date specified therein, but in no event may it be effective with respect to any such services performed prior to the first day of the calendar year in which such agreement is entered into or in which the modification of the agreement making it applicable to such services is entered into, provided that in the case of an agreement or modification made after May 3, 1953, and prior to January 1, 1954, such agreement or modification of the agreement shall be made effective with respect to any such services performed on or after January 1, 1951.

4. All services which constitute employment as defined in [section 97C.2](#), and are performed in the employ of the state, or any political subdivision, by employees of the state, or of any political subdivision, shall be covered by the agreement.
