The commission shall charge the applicant a fee set by the department of public safety, division of criminal investigation, to defray the costs associated with the search and classification of fingerprints required in [subsection 2](#) and background investigations conducted by agents of the division of criminal investigation. This fee is in addition to any other license fee charged by the commission.

However, a licensee to conduct gambling games under [this chapter](#) shall, unless an operating agreement for an excursion gambling boat otherwise provides, distribute at least three percent of the adjusted gross receipts and, if applicable, three-quarters of one percent of sports wagering net receipts for each license year for educational, civic, public, charitable, patriotic, or religious uses as defined in [section 99B.1](#). However, if a licensee who is also licensed to conduct pari-mutuel wagering at a horse racetrack has unpaid debt from the pari-mutuel racetrack operations, the first receipts of the gambling games operated within the racetrack enclosure less reasonable operating expenses, taxes, and fees allowed under [this chapter](#) shall be first used to pay the annual indebtedness.

For agreements subject to commission approval concerning purses for horse racing beginning on or after January 1, 2006, the agreements shall provide that total annual purses for all horse racing shall be four percent of sports wagering net receipts and no less than eleven percent of the first two hundred million dollars of net receipts, and six percent of net receipts above two hundred million dollars. However, the requirement to schedule performances of live races for purposes of conducting gambling games under [this chapter](#) shall not apply to a licensee as of the live racing cessation date of the licensee as provided in [section 99D.9A](#).

(2) If a pari-mutuel dog racetrack authorized to conduct gambling games as of January 1, 2014, is required to schedule performances of live races for purposes of conducting gambling games under [this chapter](#) during any calendar year, the commission shall approve an annual contract to be negotiated between the annual recipient of the dog racing promotion fund and each dog racetrack licensee to specify the percentage or amount of gambling game proceeds which shall be dedicated to supplement the purses of live dog races. The parties shall agree to a negotiation timetable to insure no interruption of business activity. If the parties fail to agree, the commission shall impose a timetable. If the two parties cannot reach agreement, each party shall select a representative and the two representatives shall select a third person to assist in negotiating an agreement. The two representatives may select the commission or one of its members to serve as the third party. Alternately, each party shall submit the name of the proposed third person to the commission who shall then select one of the two persons to serve as the third party. All parties to the negotiations, including the commission, shall consider that the dog racetracks were built to facilitate the development and promotion of Iowa greyhound racing dogs in this state and shall negotiate and decide accordingly.
