

**331.468 Funds — payments.**

1. If a county enterprise or combined county enterprise has on hand surplus funds, after making all deposits into all funds required by the terms, covenants, conditions, and provisions of outstanding revenue bonds, pledge orders, and other obligations which are payable from the revenues of the county enterprise or combined county enterprise and after complying with all of the requirements, terms, covenants, conditions and provisions of the proceedings and resolutions pursuant to which revenue bonds, pledge orders, and other obligations are issued, the board may transfer the surplus funds to any other fund of the county in accordance with applicable law, provided that a transfer shall not be made if it conflicts with any of the requirements, terms, covenants, conditions, or provisions of any resolution authorizing the issuance of revenue bonds, pledge orders, or other obligations which are payable from the revenues of the county enterprise or combined county enterprise which are then outstanding.

2. This part does not prohibit or prevent the board from using funds derived from the issuance of general obligation bonds, the levy of special assessments and the issuance of special assessment bonds, and any other source which may be properly used for such purpose, to pay a part of the cost of a project.

3. The county shall pay for the use of or the services provided by the county enterprise or combined county enterprise as any other customer, except that the county may pay for use or service at a reduced rate or receive free use or service so long as the county complies with the provisions, terms, conditions and covenants of all resolutions pursuant to which revenue bonds or pledge orders are issued and outstanding.
