b. Prescribing, administering, or dispensing a pharmaceutical for off-label use to treat a patient with a suspected or confirmed case of COVID-19.

c. Acts or omissions while providing health care to individuals unrelated to COVID-19 when those acts or omissions support the state's response to COVID-19, including any of the following:

(3) Using medical devices, equipment, or supplies outside of their normal use for the provision of health care, including using or modifying medical devices, equipment, or supplies for an unapproved use.

(4) Conducting tests or providing treatment to any individual outside the premises of a health care facility.

(5) Acts or omissions undertaken by a health care provider because of a lack of staffing, facilities, medical devices, equipment, supplies, or other resources attributable to COVID-19 that renders the health care provider unable to provide the level or manner of care to any person that otherwise would have been required in the absence of COVID-19.

(6) Acts or omissions undertaken by a health care provider relating to use or nonuse of personal protective equipment.

2. [This section](#) shall not relieve any person of liability for civil damages for any act or omission which constitutes recklessness or willful misconduct.
