

184.3 Assessment.

1. *a.* Except as provided in paragraph “*b*”, an assessment of two and one-half cents is imposed on each thirty dozen eggs produced in this state. The assessment shall be imposed on a producer at the time of delivery to a purchaser who shall deduct the assessment from the price paid to a producer at the time of sale. The assessment shall not be refundable. The assessment is due to be paid to the council within thirty days following each calendar quarter, as provided by the council.

b. Upon request of the council, the secretary shall call a special referendum for producers to vote on whether to authorize an increase in the assessment to an amount that is more than two and one-half cents imposed on each thirty dozen eggs produced in this state. Notice shall be given and the special referendum shall be conducted in the manner provided in [section 184.5](#). If a majority of the producers voting approves the increase, the council may increase the assessment for the amount approved. However, the assessment shall not exceed fifteen cents imposed on each thirty dozen eggs produced in this state.

2. If the producer sells eggs to a purchaser outside the state of Iowa, the producer shall deduct the assessment from the amount received from the sale and shall forward the amount deducted to the council within thirty days following each calendar quarter. If the producer and processor are the same person, then that person shall pay the assessment to the council within thirty days following each calendar quarter.

3. The council may charge interest on any amount of the assessment that is delinquent. The rate of interest shall not be more than the current rate published in the Iowa administrative bulletin by the department of revenue pursuant to [section 421.7](#). The interest amount shall be computed from the date the assessment is delinquent, unless the council designates a later date. The interest amount shall accrue for each month in which there is delinquency calculated as provided in [section 421.7](#), and counting each fraction of a month as an entire month. The interest amount due shall become a part of the assessment due.
