

266.37 Use of corrections department institutional facilities and resources.

Iowa state university of science and technology shall use resources, including property, facilities, labor, and services, connected with institutions listed in [section 904.102](#), under the authority of the Iowa department of corrections, to the extent practicable, for research, development, and testing of technological, horticultural, biological, and economic factors involved in improving the performance of Iowa agricultural products. However, use by the university is subject to the approval of the director of the department of corrections.

[87 Acts, ch 139, §3](#)
