

481A.89 Permit to hold hides.

Upon application, which shall be filed with the commission within ten days after the close of the open season, any person may be permitted to hold hides or skins of fur-bearing animals lawfully taken for a longer time than specified above. Such application shall be verified and shall show the number and varieties of the skins or hides to be held by the applicant. The commission shall thereupon issue a permit to such applicant to hold such skins or hides, which permit shall authorize the holder to sell or otherwise dispose of such skins or hides.
