

**542.12 Reinstatement.**

1. In any case in which the board has suspended, revoked, or restricted a license, refused to renew a license, or accepted the voluntary surrender of a license to conclude a pending disciplinary investigation or action, the board may, upon written application, modify or terminate the suspension, reissue the license, or modify or remove the restriction, with or without terms and conditions.

2. The board is vested with discretionary authority to specify by rule the manner in which such applications shall be made, the times within which they shall be made, the circumstances in which a hearing will be held, and the grounds upon which such applications will be decided. The rules shall provide at a minimum that the burden is on the licensee to produce evidence that the basis for revocation, suspension, restriction, refusal to renew, or voluntarily surrender no longer exists and that it will be in the public interest for the board to grant the application on such terms and conditions as the board deems desirable.
