135B.35 Pediatric congenital heart surgery — public reporting of data — patient education.

A hospital licensed under this chapter that provides pediatric congenital heart surgery shall do all of the following:

- 1. Participate in a qualified clinical data registry for thoracic surgery by providing all pediatric congenital heart surgery data required and consenting to public reporting of the data shared.
- 2. Provide information regarding how to access the national information provided in the qualified clinical data registry for thoracic surgery during an educational consultation with a parent or legal guardian of a pediatric patient for whom a congenital heart surgery procedure is recommended.
