

29C.20C Immunity — licensed architects and professional engineers.

An architect licensed pursuant to [chapter 544A](#) or a professional engineer licensed pursuant to [chapter 542B](#) who, during a disaster emergency as proclaimed by the governor or a major disaster as declared by the president of the United States, in good faith and at the request of or with the approval of a national, state, or local public official, law enforcement official, public safety official, or building inspection official believed by the licensed architect or professional engineer to be acting in an official capacity, voluntarily and without compensation provides architectural, engineering, structural, electrical, mechanical, or other design professional services related to the disaster emergency or major disaster shall not be liable for civil damages for any acts or omissions resulting from the services provided, unless such acts or omissions constitute recklessness or willful and wanton misconduct. A licensed architect or professional engineer who receives expense reimbursement for the performance of services described in [this section](#) shall not be considered to have received compensation for such services.
