- 10. A medical cannabidiol dispensary shall not operate in any location within one thousand feet of a public or private school existing before the date of the medical cannabidiol dispensary's licensure by the department.
- 11. A medical cannabidiol dispensary shall comply with reasonable restrictions set by the department relating to signage, marketing, display, and advertising of medical cannabidiol.
- 12. Prior to dispensing of any medical cannabidiol, a medical cannabidiol dispensary shall do all of the following:
- a. Verify that the medical cannabidiol dispensary has received a valid medical cannabidiol registration card from a patient or a patient's primary caregiver, if applicable.
- b. Assign a tracking number to any medical cannabidiol dispensed from the medical cannabidiol dispensary.
- c. Properly package medical cannabidiol in compliance with federal law regarding child resistant packaging and exemptions for packaging for elderly patients, and label medical cannabidiol with a list of all active ingredients and individually identifying information.
- 13. A medical cannabidiol dispensary shall employ a pharmacist or pharmacy technician licensed or registered pursuant to chapter 155A for the purpose of making dosing recommendations.
- 14. A medical cannabidiol dispensary shall not dispense more than a combined total of four and one-half grams of total tetrahydrocannabinol to a patient and the patient's primary caregiver in a ninety-day period, except as provided in subsection 15.
 - 15. A medical cannabidiol dispensary may dispense more than a combined total of four

and one-half grams of total tetrahydrocannabinol to a patient and the patient's primary caregiver in a ninety-day period if any of the following apply:

- a. The health care practitioner who certified the patient to receive a medical cannabidiol registration card certifies that patient's debilitating medical condition is a terminal illness with a life expectancy of less than one year. A certification issued pursuant to this paragraph shall include a total tetrahydrocannabinol cap deemed appropriate by the patient's health care practitioner.
- b. The health care practitioner who certified the patient to receive a medical cannabidiol registration card certifies that the patient has participated in the medical cannabidiol program and that the health care practitioner has determined that four and one-half grams of total tetrahydrocannabinol in a ninety-day period is insufficient to treat the patient's debilitating medical condition. A certification issued pursuant to this paragraph shall include a total tetrahydrocannabinol cap deemed appropriate by the patient's health care practitioner.
