

256.121 Higher education division created.

1. The higher education division of the department of education is created. The chief administrative officer of the division is the administrator who shall be appointed by the director.

2. The administrator shall do all of the following:

a. Administer and coordinate all of the following bureaus, boards, and commissions within the higher education division:

(1) The community colleges and post-secondary readiness bureau under [part 2](#).

(2) The board of educational examiners under [part 3](#).

(3) The college student aid commission under [part 4](#).

(4) The community colleges bureau under [chapter 260C](#).

b. Direct and organize the activities of the division.

c. Control all property of the division.

d. Hire and control the personnel employed by the division.

e. Perform other duties imposed by law.
