

**279.60 Assessments — access to data — reports.**

1. Each school district shall administer the teaching strategies gold early childhood assessment to every resident prekindergarten or four-year-old child whose parent or guardian enrolls the child in the district, and shall administer a valid and reliable universal screening instrument, as prescribed by the department of education, to every kindergarten student enrolled in the district not later than the date specified in [section 257.6, subsection 1](#). The assessment shall be aligned with state early learning standards and preschool programs shall be encouraged to administer the assessment at least at the beginning and end of the preschool program, with the assessment information entered into the statewide longitudinal data system. The department shall work to develop agreements with head start programs to incorporate similar information about four-year-old children served by head start into the statewide longitudinal data system.

2. The school district shall also collect information from each parent, guardian, or legal custodian of a kindergarten student enrolled in the district on whether the student attended preschool. Each school district shall report the preschool information collected to the department of education in the manner prescribed by the department not later than January 1 of that school year. The early childhood Iowa program in the department of health and human services shall have access to the raw data. The department of education shall review the information submitted pursuant to [this section](#) and shall submit its findings and recommendations annually in a report to the governor, the general assembly, the early childhood Iowa state board, and the early childhood Iowa area boards.

3. Each school district shall administer the Iowa assessments, created by the state university of Iowa, to all students enrolled in grade ten.
