350.2 Petition — board membership.

1. Upon a petition to the board of supervisors which meets the requirements of [section 331.306](#), the board of supervisors shall submit to the voters at the next general election the question of whether a county conservation board shall be created as provided for in [this chapter](#). The county conservation board shall have the custody, control, and management of all real and personal property heretofore or hereafter acquired by the county for public museums, parks, preserves, parkways, playgrounds, recreation centers, county forests, county wildlife areas, and other county conservation and recreation purposes and is authorized and empowered:

1. To study and ascertain the county's museum, park, preserve, parkway, and recreation and other conservation facilities, the need for such facilities, and the extent to which such needs are being currently met, and to prepare and adopt a coordinated plan of areas and facilities to meet such needs.

2. To acquire in the name of the county by gift, purchase, lease, agreement, exchange, or otherwise, in fee or with conditions, suitable real estate within or without the territorial limits of the county for public museums, parks, preserves, parkways, playgrounds, recreation centers, forests, wildlife, and other conservation purposes and for participation in watershed, drainage, and flood control programs for the purpose of increasing the recreational resources of the county. The natural resource commission, the county board of supervisors, or the governing body of any city, upon request of the county conservation board, may transfer to the county conservation board for use as museums, parks, preserves, parkways, playgrounds, recreation centers, play fields, tennis courts, skating rinks, swimming pools, gymnasiums, rooms for arts and crafts, camps and meeting places, community forests, wildlife areas, and other recreational purposes, any land and buildings owned or controlled by the department of natural resources or the county or city and not devoted or dedicated to any other inconsistent public use. An exchange of property approved by the county conservation board and the board of supervisors is not subject to [section 331.361, subsection 2](#).

3. The county conservation board shall file with the natural resource commission all acquisitions or exchanges of land within one year.

5. To accept in the name of the county gifts, bequests, contributions, and appropriations of money and other personal property for conservation purposes.

6. To employ and fix the compensation of a director who shall be responsible to the county conservation board for the carrying out of its policies. The director, subject to the approval of the board, may employ and fix the compensation of assistants and employees as necessary for carrying out [this chapter](#).

7. To charge and collect reasonable fees for the use of the parks, facilities, privileges, and conveniences as may be provided and for admission to amateur athletic contests, demonstrations and exhibits, and other noncommercial events. The board shall not allow the exclusive use of a park by one or more organizations.

8. To operate concessions or to lease concessions and to let out and rent privileges in or upon any property under its control upon such terms and conditions as are deemed by it to be in the public interest.

9. *a.* To participate in watershed projects of soil and water conservation districts and the federal government and in projects of drainage districts organized under the provisions of [chapter 161F](#), [chapter 468, subchapter I, parts 1 through 5](#), and [chapter 468, subchapter II, parts 1, 5, and 6](#), for the purpose of increasing the recreational resources of the county.
