a. An eligible taxpayer seeking historic preservation tax credits provided in [section 404A.2](#) shall make application to the authority in the manner prescribed by the authority.

b. The authority may accept applications on a continuous basis or may accept applications, or one or more components of an application, during one or more application periods.

c. The application shall include any information deemed necessary by the authority to evaluate the eligibility under the program of the applicant and the rehabilitation project, the amount of projected qualified rehabilitation expenditures of a rehabilitation project, and the amount and source of all funding for a rehabilitation project. An applicant shall have the burden of proof to demonstrate to the authority that the applicant is an eligible taxpayer and the project is a qualified rehabilitation project under the program.

d. The authority may establish criteria for the use of electronic or other alternative filing or submission methods for any application, document, or payment requested or required under this program. Such criteria may provide for the acceptance of a signature in a form other than the handwriting of a person.

e. (1) The authority may charge application and other fees to eligible taxpayers who apply to participate in the program. The amount of such fees shall be determined based on the costs to the authority of administering the program.

(2) Fees collected by the authority pursuant to this paragraph shall be deposited with the authority notwithstanding [section 8A.708, subsection 1](#).

2. Registration.

a. Upon review of the application by the authority, the authority may register a qualified rehabilitation project under the program. If the authority registers the project, the authority shall make a preliminary determination as to the amount of tax credits for which the project qualifies.

b. After registering the qualified rehabilitation project, the authority shall notify the eligible taxpayer of successful registration under the program within a period of time established by the authority by rule. The notification shall include the amount of tax credits under [section 404A.2](#) for which the qualified rehabilitation project has received a tentative award and a statement that the amount is a preliminary determination only.

3. Agreement.

a. Upon successful registration of a qualified rehabilitation project, the eligible taxpayer shall enter into an agreement with the authority for the successful completion of all requirements of the program.

b. The agreement shall contain mutually agreeable terms and conditions which, at a minimum, provide for the following:

(1) The amount of the tax credit award. An eligible taxpayer has no right to receive a tax credit certificate or claim a tax credit until all requirements of the agreement and [subsections 4 and 5](#) have been satisfied. The amount of tax credit included on a tax credit certificate issued under [this section](#) shall be contingent upon verification by the authority of the amount of final qualified rehabilitation expenditures.

(2) The rehabilitation work to be performed. An eligible taxpayer shall perform the rehabilitation work consistent with the United States secretary of the interior's standards for rehabilitation, as determined by the authority.

The amount of allowable cost overruns provided for in the agreement shall not exceed the following amount:

(a) For a qualified rehabilitation project with final qualified rehabilitation expenditures of not more than seven hundred fifty thousand dollars, fifteen percent of the projected qualified rehabilitation expenditures provided for in the agreement.

(b) For a qualified rehabilitation project with final qualified rehabilitation expenditures

(c) For a qualified rehabilitation project with final qualified rehabilitation expenditures of more than six million dollars, five percent of the projected qualified rehabilitation expenditures provided for in the agreement.

b. The eligible taxpayer shall have the burden of proof to demonstrate to the authority that all requirements of the agreement are satisfied. The taxpayer shall notify the authority in a timely manner of any changes in the qualification of the rehabilitation project or in the eligibility of the taxpayer to claim the tax credit provided under [this chapter](#), or of any other change that may have a negative impact on the eligible taxpayer's ability to successfully complete any requirement under the agreement.

c. (1) If after entering into the agreement but before a tax credit certificate is issued, the eligible taxpayer or the qualified rehabilitation project no longer meets the requirements of the agreement, the authority may find the taxpayer in default under the agreement and may revoke the tax credit award.

(2) If an eligible taxpayer obtains a tax credit certificate from the authority by way of a prohibited activity, the eligible taxpayer and any transferee shall be jointly and severally liable to the state for the amount of the tax credits so issued, interest and penalties allowed under [chapter 422](#), and reasonable attorney fees and litigation costs, except that the liability of the transferee shall not exceed an amount equal to the amount of the tax credits acquired by the transferee. The department of revenue, upon notification or discovery that a tax credit certificate was issued to an eligible taxpayer by way of a prohibited activity, shall revoke any outstanding tax credit and seek repayment of the value of any tax credit already claimed, and the failure to make such a repayment may be treated by the department of revenue in the same manner as a failure to pay the tax shown due or required to be shown due with the filing of a return or deposit form. A qualifying transferee is not subject to the liability, revocation, and repayment imposed under this subparagraph.

a. An eligible taxpayer shall engage a certified public accountant authorized to practice in this state to conduct an examination of the project in accordance with the American institute of certified public accountants’ statements on standards for attestation engagements. Upon completion of the qualified rehabilitation project, the eligible taxpayer shall submit the examination to the authority, along with a statement of the amount of final qualified rehabilitation expenditures and any other information deemed necessary by the authority in order to verify that all requirements of the agreement, [this chapter](#), and all rules adopted pursuant to [this chapter](#) have been satisfied. The authority shall adopt rules governing examinations required under this subsection.

If the authority determines that all requirements of the agreement, this chapter, and all rules adopted pursuant to this chapter have been satisfied and it has verified the amount of final qualified rehabilitation expenditures, the authority shall issue a tax credit certificate to the eligible taxpayer stating the amount of the credit under [section 404A.2](#) the eligible taxpayer may claim.

6. *Waivers.* Notwithstanding any other provision of [this chapter](#) to the contrary, the authority may waive the requirements of [subsections 1 through 4](#), except the requirements relating to allowable cost overruns in [subsection 3](#), paragraph “b”, subparagraph (3), and the requirements in [subsection 4](#), paragraphs “b” and “c”, for qualified rehabilitation projects with final qualified rehabilitation expenditures of seven hundred fifty thousand dollars or less and may establish by rule different application, registration, agreement, compliance, or other requirements relating to such projects.
