

515B.8 Effect of paid claims.

1. Any person recovering under [this chapter](#) shall be deemed to have assigned the person's rights under the policy to the association to the extent of the person's recovery from the association. Every insured or claimant seeking the protection of [this chapter](#) shall cooperate with the association to the same extent as such person would have been required to cooperate with the insolvent insurer. The association shall have no cause of action against the insured of the insolvent insurer for any sums it has paid out except causes of action the insolvent insurer would have had if the sums had been paid by the insolvent insurer.

2. The association and any similar entity in another state shall be recognized as claimants in the liquidation of an insolvent insurer for any amounts paid by them on covered claim obligations as determined under [this chapter](#) or under similar law in another state, and shall receive dividends and any other distributions at the priority set forth under the applicable liquidation law. The receiver, liquidator, or statutory successor of an insolvent insurer shall be bound by determinations of covered claim eligibility under [this chapter](#) and by settlements of covered claims made by the association or a similar organization in another state. The court having jurisdiction shall grant such claims priority equal to that which the claimant would have been entitled in the absence of [this chapter](#) against the assets of the insolvent insurer. The expenses of the association or similar organization in handling claims shall be accorded the same priority as the liquidator's expenses.

3. The association shall periodically file with the receiver or liquidator of the insolvent insurer statements of the covered claims paid by the association and estimates of anticipated claims on the association, which statements shall preserve the rights of the association against the assets of the insolvent insurer.
