- (1) Does not have substantial insurance operations in the United States.
- (2) Has substantial insurance operations in the United States, but not in Iowa.

*b.* In response to a request from an insurance holding company system that does not otherwise qualify as an internationally active insurance group, the commissioner may make a determination of or acknowledge a group-wide supervisor for such an insurance holding company system pursuant to [this section](#).

2. *a.* In cooperation with other state, federal, and international regulatory agencies, the commissioner shall identify a single group-wide supervisor for an internationally active insurance group. The commissioner may determine that the commissioner is the appropriate group-wide supervisor for an internationally active insurance group that conducts substantial insurance operations concentrated in this state, or the commissioner may acknowledge that a regulatory official from another jurisdiction is the appropriate group-wide supervisor for the internationally active insurance group. In making a determination or acknowledgment under this paragraph “*a*”, the commissioner shall consider the following factors:

(5) Whether another regulatory official acting as or seeking to act as the group-wide supervisor for the internationally active insurance group provides the commissioner with reasonably reciprocal recognition and cooperation.

*b.* Notwithstanding paragraph “*a*”, even if the commissioner is identified pursuant to [this subsection](#) as the group-wide supervisor of an internationally active insurance group, the commissioner may determine that it is appropriate to acknowledge another regulatory official to serve as the group-wide supervisor of the internationally active insurance group.

*c.* The acknowledgment of a group-wide supervisor pursuant to [this subsection](#) shall be made after consideration of the factors listed in paragraph “*a*”, subparagraphs (1) through (5), and shall be made in cooperation with and subject to the acknowledgment of other regulatory officials involved with supervision of members of the internationally active insurance group, and in consultation with the internationally active insurance group.

3. Notwithstanding any other provision of law, when another regulatory official is acting as the group-wide supervisor of an internationally active insurance group, the commissioner shall acknowledge that regulatory official as the group-wide supervisor of the internationally active insurance group. However, the commissioner shall make a new determination or acknowledgment as to the appropriate group-wide supervisor for the internationally active insurance group in the event that a material change in the internationally active insurance group results in either of the following:

*a.* The internationally active insurance group’s insurers domiciled in Iowa holding the largest share of the group’s premiums, assets, or liabilities.

f. Other activities of group-wide supervision, consistent with the authority and purposes set forth in [this section](#), as considered necessary by the commissioner.
