

74.9 Payment in case of default by school.

In the event a school corporation which has issued anticipatory warrants fails to pay principal or interest of its anticipatory warrants when due, upon certification by the trustee or the paying agent designated pursuant to [section 76.10](#) to the director of the department of administrative services, the director of the department of administrative services shall withhold and directly apply, from any state appropriation to which the school corporation is entitled, so much as is certified to the trustee or the paying agent to the payment of the principal and interest on the anticipatory warrants of the school corporation then due. The obligation of the director of the department of administrative services to withhold and directly apply moneys from any state appropriation to which the school corporation is entitled does not create any moral or legal obligations of the state to pay, when due, the principal and interest on the anticipatory warrants of a school corporation. All appropriations for school corporations shall be subject to the provisions of [this section](#).
