Notwithstanding any other provision in the Code:

1. All public bonds or obligations issued before or after July 1, 1983, may be in registered form. An issuer of public bonds or obligations may designate for a term as agreed upon, one or more persons, corporations, partnerships, or other associations located within or without the state to serve as trustee, transfer agent, registrar, depository, or paying or other agent in connection with the public bonds or obligations and to carry out services and functions which are customary in such capacities or convenient or necessary to comply with the intent and provisions of [this chapter](#).

2. An issuer of public bonds or obligations may provide for the immobilization of the bonds through the designation of a bond depository or through a book-entry system of registration.

3. Any designated trustee, transfer agent, registrar, depository, or paying or other agent may serve in multiple capacities with respect to an issue of public bonds or obligations.

4. Public bonds or obligations or certificates of ownership of the public bonds or obligations may be issued in any form or pursuant to any system necessary to be in compliance with standards issued from time to time by the municipal securities rulemaking board of the United States, the American national standards institute, any other securities industry standard, or the requirements of section 103 of the Internal Revenue Code.

5. Registration or immobilization of a public bond or obligation does not disqualify it as a lawful investment for depository institutions, trustees, public bodies, or other investors regulated by law.

6. An issuer of public bonds or obligations may provide for the payment of the costs of registration of its public bonds or obligations by the levy of additional taxes for the payment from the fund for the payment of the principal and interest of general obligation bonds or from any revenue source from which the principal and interest of the public bonds or obligations are payable.

7. *a.* Records and documents pertaining to cancellation, transfer, redemption, or replacement of public bonds or obligations shall be preserved by the issuer or its agent for a period of not less than eleven years. Thereafter, the records and documents may be destroyed by the issuer or its agent, preserving confidentiality as necessary.

b. An action with respect to the cancellation, transfer, redemption, or replacement of public bonds or obligations shall not be brought against an issuer, trustee, transfer agent, registrar, depository, paying agent, or other agent unless it is commenced within eleven years of the cancellation, transfer, redemption, or replacement of the bonds or obligations.
