

80.48 Public safety equipment fund.

1. A public safety equipment fund is created in the state treasury under the control of the department. The fund shall consist of moneys appropriated to or deposited in the fund. Moneys in the fund are appropriated to the department for the purchase, maintenance, and replacement of equipment used by the department, including any installation and licensing costs. The department is authorized to designate moneys in the fund for the future purchase, maintenance, and replacement of equipment used by the department, including any installation and licensing costs.

2. Notwithstanding [section 8.33](#), moneys in the fund that remain unencumbered or unobligated at the close of a fiscal year shall not revert but shall remain available for expenditure for the purposes designated. Notwithstanding [section 12C.7, subsection 2](#), interest or earnings on moneys in the fund shall be credited to the fund.

3. The department shall submit a report to the co-chairpersons and ranking members of the joint appropriations subcommittee on the justice system and to the legislative services agency on or before December 31 of each year which shall contain all of the following:

- a. A list of all expenditures from the fund made in the previous fiscal year.
- b. The amount of moneys in the fund carried over from the previous fiscal year to the current fiscal year and how the department plans to use those moneys, including any expenditures in the current fiscal year.
- c. The amount of moneys in the fund the department intends to carry over from the current fiscal year to the next fiscal year and how the department plans to use those moneys.
- d. A list of all the sources of moneys deposited in the fund in the previous fiscal year.
