

8B.23 Information technology standards.

1. The office shall develop and adopt information technology standards applicable to the procurement of information technology by all participating agencies. Such standards, unless waived by the office, shall apply to all information technology procurements for participating agencies.

2. The office of the governor or the office of an elective constitutional or statutory officer shall consult with the office prior to procuring information technology and consider the information technology standards adopted by the office, and provide a written report to the office relating to the other office's decision regarding such acquisitions.
