

915.92 Right of action against perpetrator — subrogation.

A right of legal action by the victim against a person who has committed a crime is not lost as a consequence of a person receiving compensation under the crime victim compensation program. If a person receiving compensation under the program seeks indemnification which would reduce the compensation under [section 915.87, subsection 1](#), the department is subrogated to the recovery to the extent of payments by the department to or on behalf of the person. The department has a right of legal action against a person who has committed a crime resulting in payment of compensation by the department to the extent of the compensation payment. However, legal action by the department does not affect the right of a person to seek further relief in other legal actions.
