

148.13B Requirements for prescription certificates for psychologists — joint rules.

1. The board of medicine and the board of behavioral health professionals shall adopt joint rules in regard to the following:

a. Education and training requirements for prescription certificates pursuant to [sections 154B.10](#) and [154B.11](#).

b. Specific minimum standards for the terms, conditions, and framework governing the collaborative practice agreement and for governing the limitations on the prescriptions eligible to be prescribed and populations eligible to be prescribed to as specified in [section 154B.1, subsection 2](#).

2. The board of medicine shall consult with the university of Iowa Carver college of medicine and clinical and counseling psychology doctoral programs at regents institutions in the development of the rules pertaining to education and training requirements in [sections 154B.10](#) and [154B.11](#).

3. The joint rules, and any amendments thereto, adopted by the board of medicine and the board of behavioral health professionals pursuant to [this section](#) and [section 154B.14](#) shall only be adopted by agreement of both boards through a joint rule-making process.

[2016 Acts, ch 1112, §5](#); [2024 Acts, ch 1170, §493, 494](#)

Referred to in [§154B.14](#)

Subsection 1, unnumbered paragraph 1 amended

Subsection 3 amended
