

222.92 Net general fund appropriation — state resource centers.

1. The department shall operate the state resource centers on the basis of net appropriations from the general fund of the state. The appropriation amounts shall be the net amounts of state moneys projected to be needed for the state resource centers for the fiscal year of the appropriations. The purpose of utilizing net appropriations is to encourage the state resource centers to operate with increased self-sufficiency, to improve quality and efficiency, and to support collaborative efforts between the state resource centers and counties and other providers of funding for the services available from the state resource centers. The state resource centers shall not be operated under the net appropriations in a manner that results in a cost increase to the state or in cost shifting between the state, the medical assistance program, counties, or other sources of funding for the state resource centers.

2. The net appropriation made for a state resource center may be used throughout the fiscal year in the manner necessary for purposes of cash flow management, and for purposes of cash flow management, a state resource center may temporarily draw more than the amount appropriated, provided the amount appropriated is not exceeded at the close of the fiscal year.

3. Subject to the approval of the department, except for revenues segregated as provided in [section 249A.11](#), revenues received that are attributed to a state resource center for a fiscal year shall be credited to the state resource center's account and shall be considered appropriated receipts as defined in [section 8.2](#), including but not limited to all of the following:

- a. Moneys received by the state from billings to counties and regional administrators for the counties.
- b. The federal share of medical assistance program revenue received under [chapter 249A](#).
- c. Federal Medicare program payments.
- d. Moneys received from client financial participation.
- e. Other revenues generated from current, new, or expanded services that the state resource center is authorized to provide.

4. Notwithstanding [section 8.33](#), up to five hundred thousand dollars of a state resource center's revenue that remains unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for purposes of the state resource center until the close of the succeeding fiscal year.
