

225C.52 Council duties.

The council shall provide guidance on the implementation and management of a children's behavioral health system for the provision of services to children with a serious emotional disturbance. To the extent funding is available, the council shall perform the following duties:

1. Advise the director on the administration of the children's behavioral health system.
2. Provide support to agencies regarding the development of administrative rules for the children's behavioral health system.
3. Identify behavioral health outcomes and indicators for eligible children with a serious emotional disturbance to promote children living with their own families and in the community.
4. Submit a written report on or before December 1 of each year to the governor and the general assembly. At a minimum, the report shall include a summary of all activities undertaken by the council relating to the children's behavioral health system and results from identified behavioral health outcomes and indicators for the children's behavioral health system.
