

230.6 Investigation by department.

The department shall immediately investigate the residency of a patient and proceed as follows:

1. If the department concurs with a certified determination of residency concerning the patient, the department shall cause the patient either to be transferred to a state mental health institute at the expense of the state, or to be transferred, with approval of the court as required by [chapter 229](#), to the place of foreign residence.

2. If the department disputes a certified legal residency determination, the department shall order the patient to be maintained at a state mental health institute at the expense of the state until the dispute is resolved.

3. If the department disputes a residency determination, the department shall utilize the procedure provided in [section 225C.61](#) to resolve the dispute. A determination of the person's residency status made pursuant to [section 225C.61](#) is conclusive.
