59. “*Reconstructed vehicle*” means every vehicle of a type required to be registered under [this chapter](#) materially altered from its original construction by the removal, addition, or substitution of essential parts, new or used. “*Reconstructed vehicle*” does not include a street rod, replica vehicle, or glider kit vehicle.

59A. “*Registration fees*”, unless otherwise specified, means both the annual vehicle registration fee and the fee for new registration, to the extent applicable, for purposes of administering the provisions of [this chapter](#) concerning vehicle registration fees.

60. “*Registration year*” means the period of twelve consecutive months beginning on the first day of the month following the month of the birth of the owner of the vehicle for vehicles registered by the county treasurer, except that “*registration year*” means the calendar year for motor trucks and truck tractors which are registered by the county treasurer in two equal semiannual installments pursuant to sections [321.120](#), [321.121](#), and [321.122](#), and “*registration year*” means the period of twelve consecutive months, as determined by the owner, for motor trucks and truck tractors that are registered by the county treasurer on an annual basis pursuant to sections [321.120](#), [321.121](#), and [321.122](#). For leased vehicles registered by the county treasurer, except for motor trucks and truck tractors registered pursuant to sections [321.120](#), [321.121](#), and [321.122](#), “*registration year*” means the period of twelve consecutive months beginning on the first day of the month following the month in which the lease expires. For vehicles registered under [chapter 326](#), “*registration year*” means the twelve-month period determined by the department pursuant to [section 326.14](#).

61. “*Replica vehicle*” means any completed motor vehicle other than a motorcycle or motorized bicycle with a gross vehicle weight rating of less than ten thousand pounds consisting of a body, frame, and other essential parts, assembled as a reproduction of a vehicle originally manufactured by a generally recognized manufacturer of motor vehicles with the substitution or addition of essential parts to update the vehicle for purposes of safety, performance, or reliability. For purposes of vehicle registration, the model year of a replica vehicle shall be the same as the model year of the motor vehicle that it is designed to resemble.

62. “*Rescue vehicle*” means a motor vehicle which is equipped with rescue, fire, life support, hazardous material, or emergency management equipment used to assist and rescue persons in emergencies or support emergency personnel in the performance of their duties.

63. “*Residence district*” means the territory within a city contiguous to and including a highway, not comprising a business, suburban, or school district, where forty percent or more of the frontage on such highway for a distance of three hundred feet or more is occupied by dwellings or by dwellings and buildings in use for business.

63A. “*Retractable axle*” means an axle designed with the capability of manipulation or adjustment of the weight on the axle.

64. “*Right-of-way*” means the privilege of the immediate use of the highway.

64A. “*Road tractor*” means every motor vehicle designed and used for drawing other vehicles and not so constructed as to carry any load thereon either independently or any part of the weight of a vehicle or load so drawn.

65. “*Roadway*” means that portion of a highway improved, designed, or ordinarily used for vehicular travel.

66. “*Road work zone*” means the portion of a highway which is identified by posted or

moving signs as the site of construction, maintenance, survey, or utility work. The zone starts upon meeting the first sign identifying the zone and continues until a posted or moving sign indicates that the work zone has ended.

67. “*Rural residence district*” means an unincorporated area established by a county board of supervisors which is contiguous to and including a secondary highway, not comprising a business district, where forty percent or more of the frontage of the highway for a distance of three hundred feet or more is occupied by dwellings or by dwellings and buildings in use for business. For purposes of [this subsection](#), farm houses and farm buildings are not to be considered.

68. “*Safety zone*” means the area or space officially set apart within a roadway for the exclusive use of pedestrians and which is protected or so marked or indicated by adequate signs as to be plainly visible at all times while set apart as a safety zone.

68A. “*Salvage pool*” means the business of selling at auction wrecked or salvage vehicles, as defined in [section 321.52](#).

69. “*School bus*” means every vehicle operated for the transportation of children to or from school, except vehicles which are:

- a. Privately owned and not operated for compensation;
- b. Used exclusively in the transportation of the children in the immediate family of the driver;
- c. Operated by a municipally or privately owned urban transit company or a regional transit system as defined in [section 324A.1](#) for the transportation of children as part of or in addition to their regularly scheduled service; or
- d. New or used motor vehicles designed to carry not more than ten persons as passengers, including the driver, or used passenger vans designed to carry not more than twelve persons as passengers, including the driver, either school owned or privately owned, which are used to transport pupils to activity events in which the pupils are participants or used to transport pupils to their homes in case of illness or other emergency situations. The vehicles operated under the provisions of this paragraph shall be operated by employees of the school district who are specifically approved by the local superintendent of schools for the assignment.

70. “*School district*” means the territory contiguous to and including a highway for a distance of two hundred feet in either direction from a schoolhouse in a city.

71. “*Semitrailer*” means every vehicle without motive power designed for carrying persons or property and for being drawn by a motor vehicle and so constructed that some part of its weight and that of its load rests upon or is carried by another vehicle.

Wherever the word “*trailer*” is used in [this chapter](#), same shall be construed to also include “*semitrailer*”.

A “*semitrailer*” shall be considered in [this chapter](#) separately from its power unit.

72. “*Sidewalk*” means that portion of a street between the curb lines, or the lateral lines of a roadway, and the adjacent property lines intended for the use of pedestrians.

73. “*Solid rubber tire*” means every tire of rubber or other resilient material which does not depend upon compressed air for the support of the load.

74. “*Special mobile equipment*” means every vehicle not designed or used primarily for the transportation of persons or property and incidentally operated or moved over the highways, including road construction or maintenance machinery and ditch-digging apparatus. This description does not exclude other vehicles which are within the general terms of [this subsection](#).

75. “*Special truck*” means a motor truck or truck tractor not used for hire with a gross weight registration of six through thirty-nine tons used by a person engaged in farming to transport commodities produced only by the owner, or to transport commodities purchased by the owner for use in the owner’s own farming operation or occasional use for charitable purposes. “*Special truck*” also means a motor truck or truck tractor not used for hire with a gross weight registration of six through thirty-nine tons used by a person engaged in farming who assists another person engaged in farming through an exchange of services. A “*special truck*” does not include a truck tractor operated more than fifteen thousand miles annually.

76. “*Specially constructed vehicle*” means every vehicle of a type required to be registered under [this chapter](#) not originally constructed under a distinctive name, make, model, or type

by a generally recognized manufacturer of vehicles and not materially altered from its original construction. “*Specially constructed vehicle*” does not include a street rod, replica vehicle, or glider kit vehicle.

77. “*Stinger-steered automobile transporter*” means any vehicle combination designed and used specifically for the transport of assembled highway vehicles, recreational vehicles, or boats in which the fifth wheel is located on a drop frame located below and behind the rearmost axle of the power unit.

78. “*Street*” or “*highway*” means the entire width between property lines of every way or place of whatever nature when any part thereof is open to the use of the public, as a matter of right, for purposes of vehicular traffic.

78A. “*Street rod*” means any car or motor truck with a gross vehicle weight rating of less than ten thousand pounds required to be registered under [this chapter](#), manufactured by a generally recognized manufacturer of motor vehicles prior to the year 1949, which may contain a body or frame not manufactured by the original manufacturer, or any motor vehicle designed and manufactured to resemble a motor vehicle manufactured prior to the year 1949. For purposes of vehicle registration, the model year of a street rod shall be the same as the model year of the motor vehicle that it is designed to resemble.

79. “*Suburban district*” means all other parts of a city not included in the business, school, or residence districts.

80. “*Tandem axle*” means any two or more consecutive axles whose centers are more than forty inches but not more than ninety-six inches apart.

80A. “*Tank wagon*” means a vehicle designed to carry liquid animal or human excrement.

81. “*Through (or thru) highway*” means every highway or portion thereof at the entrances to which vehicular traffic from intersecting highways is required by law to stop before entering or crossing the same and when stop signs are erected as provided in [this chapter](#) or such entrances are controlled by a peace officer or traffic-control signal. The term “*arterial*” is synonymous with “*through*” or “*thru*” when applied to highways of this state.

82. “*Tourist attraction*” means a business, activity, service, or site where a major portion of the product or service provided is tourist oriented.

83. “*Tourist-oriented directional sign*” means a sign providing identification and directional information for a tourist attraction.

83A. “*Towing or recovery vehicle*” means a motor vehicle equipped with booms, winches, slings, or wheel lifts used to tow, recover, or transport other motor vehicles.

83B. “*Tracked implement of husbandry*” means a fence-line feeder, grain cart, or tank wagon that is mounted on a chassis attached to a pair of tracks that transfer the weight of the implement to the ground or the roadway surface.

84. “*Traffic*” means pedestrians, ridden or herded animals, vehicles, streetcars, and other conveyances either singly or together while using any highway for purposes of travel.

85. “*Trailer*” means every vehicle without motive power designed for carrying persons or property and for being drawn by a motor vehicle and so constructed that no part of its weight rests upon the towing vehicle.

86. Reserved.

87. “*Transporter*” means a person engaged in the business of delivering vehicles of a type required to be registered or titled in this state who has received authority to make delivery as specified by rules adopted by the department.

88. “*Truck tractor*” means every motor vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn. However, a truck tractor may have a box, deck, or plate for carrying freight, mounted on the frame behind the cab, and forward of the fifth-wheel connection point.

89. “*Used vehicle parts dealer*” means a person engaged in, or advertising as being engaged in, the business of selling bodies, parts of bodies, frames, or component parts of used vehicles subject to registration under [this chapter](#).

89A. “*Utility maintenance vehicle*” means a motor vehicle operated by an employee or contractor of an entity, including but not limited to the state, a political subdivision of the

state, or any commission, department, or agency thereof, an electric cooperative association, or a public or private corporation, in connection with the provision of utility services.

89B. “*Utility services*” means cable, electric, natural gas, telephone, telecommunication, water, and wastewater treatment services and includes but is not limited to the improvement, installation, maintenance, relocation, or repair of cables, fibers, pipes, utility poles, utility structures, wires, and associated right-of-way and other infrastructure associated with such services.

90. “*Vehicle*” means every device in, upon, or by which any person or property is or may be transported or drawn upon a highway. “*Vehicle*” does not include:

a. Any device moved by human power, including a low-speed electric bicycle and a pedestrian conveyance.

b. Any device used exclusively upon stationary rails or tracks.

c. Any personal delivery device operated pursuant to [chapter 321O](#).

d. Any integral part of a truck tractor or road tractor which is mounted on the frame of the truck tractor or road tractor immediately behind the cab and which may be used to transport persons and property but which cannot be drawn upon the highway by the truck tractor or another motor vehicle.

e. Any steering axle, dolly, auxiliary axle, or other integral part of another vehicle which in and of itself is incapable of commercially transporting any person or property but is used primarily to support another vehicle.

91. “*Vehicle identification number*” or the initials VIN mean the numerical and alphabetical designations affixed to a vehicle or a component part of a vehicle by the manufacturer or the department or affixed by, or caused to be affixed by, the owner pursuant to rules promulgated by the department as a means of identifying the vehicle.

92. “*Vehicle rebuilder*” means a person engaged in, or advertising as being engaged in, the business of rebuilding or restoring to operating condition vehicles subject to registration under [this chapter](#), which have been damaged or wrecked.

93. “*Vehicle salvager*” means a person engaged in, or advertising as being engaged in, the business of scrapping vehicles, dismantling or storing wrecked or damaged vehicles or selling reusable parts of vehicles or storing vehicles not currently registered which vehicles are subject to registration under [this chapter](#).

94. “*Where a vehicle is kept*” shall refer to the county of residence of the owner or to the county where the vehicle is mainly kept if said owner is a nonresident of the state.
