

327D.85 Rate proposal — review.

At the hearing the department of inspections, appeals, and licensing shall propose the rates on the schedule, in whole or in part, or others in lieu thereof, which the department of inspections, appeals, and licensing finds are just and reasonable rates. The action of the department of inspections, appeals, and licensing is subject to review by the state department of transportation. The decision of the state department of transportation is the final agency action.
