

523D.2 Application of chapter.

[This chapter](#) applies to a provider who executes a contract to provide continuing care or senior adult congregate living services in a facility or program, or extends the term of an existing contract to provide continuing care or senior adult congregate living services in a facility or program, if the contract requires or permits the payment of an entrance fee to a person, and any of the following apply:

1. The facility or program is or will be located in this state.
2. The provider or a person acting on the provider's behalf solicits the contract within this state for a facility or program located in this state and the person to be provided with continuing care or senior adult congregate living services under the contract resides within this state at the time of the solicitation.
